SUBJECT.

Cir approved A list for clerks Class II in the Dept of Co-operation & Agriculture

Mfd

Serial No.

Letter No. Est. 4-9/41-42 dt 4.4.1942 from the Director of Agriculture in Mysore requesting permission to continue one H. S. Venkoba Rao in a vacancy of clerk.

(1) H. S. Venkoba Rao was appointed according to recruitment rules in a General vacancy of Steno-Typist and he was therefore become a probationer for being absorbed permanently in that Service. For the reasons given in the P.U.D, the Director of Agriculture wants to continue and absorb this candidate in the clerical Service in the unit. This proposal of the Director amounts to continue a probationer in a different Service and is therefore not in order. This will also affect the candidates waiting in the approved lists for clerical Service.

V.D. 23.4.42 (4) we have been transferring candidates in the "Typists" lists, who have been waiting for long periods & who are far in excess of the number required for appointments in the units to clerical units (Please see linked file.) As the candidate is stated to be waiting since 1934, he may be transferred to the clerical unit of the same dept. and appointed as clerk as recommended by the Dis. of Agra. as he is obviously senior to the candidates in the existing A-list, having been listed in 1935. The Dis. of Agra has also asked for a supplemental list of A list candidates

The utmost concession which can be given to this Candidate is by way of insertion of his name in the "A" or "General" list just below the "A" list Candidate who has already been appointed. This would enable him to get the earliest chance in the General vacancy and his rank in the class II clerical A list would be 13(a) instead of 20 as noted in the draft.

OFFICE OF

The Director of Agriculture in Mysore,
Bangalore.

No. Est.4-9 /41-42.
Encls.

Date 4th April, 1942.

The Secretary,
Central Recruitment Board,
Bangalore.

Sir,

I have the honour to state that H.S.Venkoba Rao, Sl.No.5 in the 'A' List of typists and steno-typists, was appointed as temporary stenographer on Rs.30/- in a classified general vacancy in February 1942, and this appointment lasts only till the end of this month. As there are only two posts in this Department under 'Typists and steno-typists' and both the places have already been duly filled in, there is no possibility of H.S.Venkoba Rao being continued in any other vacancy or re-employed at any near future date, if he is to take his chance only as steno-typist or typist in this Department. He was waiting for his chance for an appointment under Government since 1934 and if he is to be thrown now out of employment, with no prospect of his being re-employed even at any near future date, it would indeed be a very bad hit on him, especially in view of the fact that in order to secure a Government appointment he accepted his present post on Rs.30/- after resigning an appointment on Rs.50/- in the Hindustan Aircraft,Ltd. In these circumstances I feel that his case deserves a very sympathetic consideration.

In this connection I may state that although typewriters have been provided to almost all the subordinate offices in the Department and a typist is required for each office, no post is designated as such in the offices and hence much difficulty is being experienced in getting clerks who can attend to typing work efficiently. Thus, as the necessity for typist clerks is keenly

felt in this Department and H.S.Venkoba Rao is fully qualified for such posts, he having passed S.S.L.C. (E.C. & P.S.) and Shorthand and Typewriting (both senior), I request that his services may kindly be permitted to be continued in an available vacancy of a clerk (II Class), giving him the rank due on the date of his appointment in this Department.

I have the honour to be,
Sir,
Your most obedient servant,

Director of Agriculture.
